

REMARKS:

This application is a national stage filing of PCT application PCT/US2004/019271 filed on June 17, 2004.

The amendment to the specification was made to add the priority information and the inventor Zuohang Zhu. This addition was confirmed by receipt of PCT Notification of the Recording of a Change, date of mailing 12 October 2005.

Also, several minor changes were made to the text and claims; please note these changes do not add any new matter to this application.

The U.S. Patent Office is hereby requested to examine the application based upon the specification as amended.

If the patent examiner has any questions or comments, he/she is respectfully requested to contact applicant's attorney at the telephone number indicated below so that additional amendments may be added as required.

Respectfully submitted,

Andrew Kular and Zuohang Zhu
